Jul 05, 2024, 09:21 PM	A prompt timeliness promised to actually implement the plan. It is mindboggling to see we plan on taking a year to make a plan.	4
Jul 05, 2024, 10:53 AM	Recreation is embarrassing. Everything is so outdated. Shaker is far behind other communities.	11
Jul 04, 2024, 06:28 PM	Public fitness center (maybe at a reimagined middle school); return of the fireworks!	10
Jul 03, 2024, 04:15 PM	Easy! Take your council & visit surrounding rec/community depts, then come back, compare them to what we have. Our taxes go where? Not rec.	10

Jul 03, 2024, 03:57 PM	Everything Shaker Rec is dilapidated, filthy and embarrassing to show people, both at Thornton Park and STJ. Uninspired & underwhelming. Communities compete on Svcs. Rec is a big one. Bchwd & Hts investing more. need Dedicated Pickle crts A community turf field	9
Jul 01, 2024, 08:59 AM	A Vision https://www.thestjames.com/location/springfield	3
Jun 28, 2024, 09:55 PM	Get these owners (or something similar)	2
Jun 28, 2024, 07:38 AM	Shaker needs indoor pickleball courts so playing does not cause law suits from neighbors. Keep tennis courts a priority. Keep pickle ball courts separate. Support young lifeguards. Teens and young adults verbally abuse them!	5
Jun 27, 2024, 05:00 PM	Public/private partnership or work with private to handle rec for the city. Make it BIG so people from all over will come.	0
Jun 27, 2024, 04:45 PM	Tax revenues. Make significant but incremental changes over next 10 years. We cannot afford to wait to do anything for 10 years.	4
Jun 27, 2024, 04:42 PM	Improve rec NOW. Please. Rec center with special programming for all ages, including teens and seniors. There is nothing in shaker for teens.	10
Jun 27, 2024, 04:33 PM	Bored teens= problems. Tear down Sussex and STJ buildings. Do not hold on to buildings that do not increase quality of life. Multiple rec sites throughout city!	12
Jun 27, 2024, 04:31 PM	Iâ€™d like to see our planning fit our population, with a greater focus on adult recreation and total community rec.	6
Jun 26, 2024, 03:35 PM	The schools used research from neighboring communities in their plan. Are we doing that for Rec? Solon, Beachwood, Cle Hts.	10
Jun 26, 2024, 03:34 PM	This plan is missing rec areas. What about all parks and new potential spaces?	7
Jun 26, 2024, 03:32 PM	The fastest growing space usage is at Sussex and pickleball	4
Jun 26, 2024, 12:18 PM	A better website for Thornton and registering for activities	6
Jun 26, 2024, 12:05 PM	I would love to see more native plants throughout our recreation areas! Lets put our money where it can really be most impactful for the most people. Personally, I don't think that's our pool or ice rink!	3
Jun 26, 2024, 12:05 PM	Space for teens to just hang out, especially since VAD restricts access!	0
Jun 26, 2024, 12:02 PM	Shaker needs to build at least one full sized ice rink. The Thornton Park ice is small and outdated. A 2nd rink would be nice as well.	8
Jun 26, 2024, 09:36 AM		7

	A better pool, indoor facilities basketball courts, a real community GYM like the similar to the JCC and attraction.	
Jun 26, 2024, 05:25 AM	Maybe a bowling alley.	6
Jun 25, 2024, 12:23 PM	We need more indoor space for sports to practice when there's inclement weather, a turf baseball field and a community workout facility.	3
Jun 25, 2024, 11:21 AM	We need more turf fields, gym space (hopefully getting more gyms space through the current elem school renovations, and we need more ice.	3
Jun 25, 2024, 11:09 AM	Thornton Park needs new benches, locker room updates and overall a DEEP DEEP clean. New paint would be great for the stands.	2
Jun 24, 2024, 02:32 PM	Use middle school site for new pool/rec center and tur fields. Create business plan for 2 rinks at existing Thornton location= Biz rev model	8
Jun 24, 2024, 06:52 AM	We are lacking a true recreation center, a place where kids and adults can go to play and move indoors. A gym, track,exercise equipment, etc	9
Jun 23, 2024, 09:14 PM	I would like an rec center with a gym and an indoor pool (look at Strongsville's as a model). Also redo Thorton pool - add zero entry.	3
Jun 22, 2024, 02:52 PM	A dog park. Beachwood residents have a beautiful dog park. Shaker pet parents are envious of Beachwood residents.	4
Jun 22, 2024, 07:21 AM	Shaker needs recreational programming in the arts with dedicated facilities for them similar to Orange Arts Center	4
Jun 21, 2024, 10:15 PM	Would love to see indoor community gathering spots for youth. Then a proper rec center with fitness membership, pool, courts etc.	9
Jun 21, 2024, 09:02 PM	The schools and the city donâ€™t both need indoor pools. Isnâ€™t that a redundancy that Backward Together was supposed to solve?	1
Jun 21, 2024, 08:56 PM	NO NEW TAXES!	3
Jun 21, 2024, 07:52 PM	Indoor soccer fields. A pool more on par with others in surrounding communities. Ice rink upkeep.	6
Jun 21, 2024, 09:58 AM	PICKLEBALL is on everyoneâ€™s lips and many are jumping into the game, Left, and Center. More courts please with restrooms and water fountains	5
Jun 21, 2024, 02:29 AM	The City needs indoor and outdoor pickleball courts as well as new tennis courts. All should have amenities like shaded benches, rest rooms	5
Jun 20, 2024, 07:28 PM	Sussex is a great place for pickleball! We could use more courts and additional upgrades to completely outfit it and make it amazing.	3
Jun 20, 2024, 05:33 PM	Shaker needs some more pickleball courts Thornton would be great!!! Or how about painting some more lines at Sussex there is allways a crowd	3

	Please focus on the Sussex pickleball courts. More courts are needed desperately. Provide bathroom facilities as well.	
Jun 20, 2024, 11:16 AM	Thank you!	6
Jun 20, 2024, 10:29 AM	Shaker needs 10+ dedicated pickleball courts with lights, benches, wind screens, shaded pavilion, restrooms, water fountain, etc.	4
Jun 20, 2024, 09:29 AM	Combined rec facility adjacent to a school for overlapping use: field house/bball, indoor pool, weight room, community space, etc.	2
	Separate pickleball courts, 12 w/ growth to 16.	
	Pool also oriented to kids with slides	
	Fitness Center	
Jun 20, 2024, 08:21 AM	Better soccer fields, turf some	3
Jun 19, 2024, 11:07 AM	Please include space(s) with a sprung wood floor(s) for dance and high impact exercise classes.	2
Jun 19, 2024, 07:00 AM	We need an indoor rec center and an indoor pool - the current middle school location would be perfect for this.	5
Jun 17, 2024, 07:11 PM	A rec center! Surrounding centers have nice rec centers that are highly used. (Cleveland heights has outdone us on this for ages)!	8
Jun 17, 2024, 04:01 PM	There needs to be a lot more shade in buffer zones. especially along shaker blvd and the middle school	10
Jun 17, 2024, 03:22 PM	PLEASE We need dedicated pickleball courts	4
Jun 17, 2024, 10:23 AM	Please consider a dog park!	5
Jun 17, 2024, 08:26 AM	Squash courts	1
Jun 16, 2024, 08:20 PM	Run bike paths separate and apart from walking paths. Way too many close calls by speeding bikes with walkers and dogs. Risk of injury high.	8
Jun 15, 2024, 10:09 AM	Shaker moves too slowly on these type of improvements. Beachwood's new playground was done quickly- shaker needs to update playgrounds fast	13
Jun 15, 2024, 10:07 AM	Shaker is very behind in rec services, sports field amenities - shade/stands to sit in. These are more important than more bike paths.	11
Jun 15, 2024, 10:04 AM	A modern rec center like Solon - place to swim, workout, rent meeting rooms and have events. Thornton pool needs zero entry area and steps	10
Jun 15, 2024, 09:57 AM	Protected bike path along the entirety of van Aken	5
Jun 15, 2024, 09:56 AM	Mountain biking trails in the horseshoe lake/lower lakes area	5

Jun 14, 2024, 04:28 PM	More off road or separated bike paths please.	3

Jun 14, 2024, 03:17 PM	2 Ice Rinks, Community Rec Center, Indoor Pool (heated), Bathrooms at the outdoor fields, Picnic Pavilions please!	9
Jun 14, 2024, 02:07 PM	Shaker Heights lacks a community recreation center with a year round pool and programming for adults in proportional measure to children.	8
Jun 14, 2024, 12:20 PM	Shaker should focus on a plan to lower the rate it taxes at. Many chose to sell their houses here as soon as their children graduate school.	2
Jun 14, 2024, 12:12 PM	- Install features on athletic fields that provide shade and protection from the sun on the sidelines.	5
Jun 14, 2024, 12:11 PM	- Rebounder for soccer and lacrosse.	9
Jun 14, 2024, 12:07 PM	Olympic ice rink please! Everyone wants to skate in shaker and this would be huge!	5

Jun 14, 2024, 11:23 AM	small colleges are self contained community just like Shaker. make 1 great high school pool/workout facility that can be used by all.	0
Jun 14, 2024, 10:54 AM	If turning middle school into fields, have playground for littles + outdoor ping pong + outdoor fitness area (great sunshine there all day).	1
Jun 14, 2024, 06:53 AM	Outdoor fields and courts and indoor and outdoor pools seem to be what our community wants and uses	7
Jun 14, 2024, 02:09 AM	Really wish we had a dog park for city residents. Dogs could be registered to ensure vaccinations and safety.	4
Jun 13, 2024, 10:18 PM	Shaker needs a community recreation/gathering space, but make accessible to all, middle of Shaker, Community Building area, not NE quadrant!	6
Jun 13, 2024, 09:46 PM	Some upgrades to the pool (like beachwood's) A rec center for working out. Updated/inclusive playgrounds. Places for teens	5
Jun 13, 2024, 09:00 PM	More senior activities during the day.	9

Jun 13, 2024, 08:44 PM	Please be mindful of noise & neighbors adjacent to these spaces when considering placement of outdoor recreation such as pickle/basketball.	3
Jun 13, 2024, 08:16 PM	We need a senior center that offers pickleball courts outside and activities such as TaiChi, Chair Yoga, Mahjong, and special outings.	6
Jun 13, 2024, 06:39 PM	I really want to see sports like billiards and even table tennis be installed in some of these spaces. It's great for mental and physical.	4
Jun 13, 2024, 06:36 PM	A rec center that rivals college rec centers. Indoor pool, a nice gym, basketball court, yoga classes, etc. A shaker version of Lifetime Fit	10
Jun 13, 2024, 06:32 PM	A nice modern rec center to replace Byron school would be a huge draw to our beautiful city for prospective homebuyers. Put taxes to work!	7
Jun 13, 2024, 06:26 PM	I pay \$11,000 in taxes and go to the county library and Beachwood for my recreation. What do I get for my \$11,000?	5
Jun 13, 2024, 06:24 PM	I would like for you to offer more free programming and stop spending money "improving facilities", but spend money to use them.	4
Jun 13, 2024, 05:48 PM	Modernized pool with better lunch areas within pool area. Create more of an upscale area to draw young professionals and adults.	1
Jun 13, 2024, 05:21 PM	Shaker needs a rec center!	9
